

CSR AND ACCOUNTABILITY POLICY

Corporate Social Responsibility (CSR) lies within the functioning of the Corporate operations itself, which caters to the needs of the community and the regions in which it operates. It has now been realized and accepted that the government alone would not be able to ameliorate the dilapidated condition of the weaker sections of the society. A combined endeavour is needed from all who dwell in the society including the corporates.

CSR has become a global concern. But, R.R. Industrial Corporation (India) Limited has always been aware of its Corporate Social Responsibility and has been fulfilling the aspirations of the society since long. It has adopted CSR as a strategic tool for the sustainable development of the society.

For Company, CSR is not simply investment of funds for the social cause but linking of the business activity with the social activity.
